

Our Philosophy

We believe that kids should spend the summer in the great outdoors, and where better than right here in your own backyard? We promote respect for others and the environment, group-building through games and projects, and most of all FUN just being a kid!

Here's How it Works...

Camp runs Monday through Friday, 9a.m. to 4p.m. There will be 8 one-week sessions of camp, with an optional added 2 weeks based upon interest and enrollment. We engage in activities that include daily swimming at our on-site pool, group games like Capture the Flag and Storm the Castle, and small group building time. Hiking, nature adventures, and of course Arts 'n Crafts are also included all under the supervision of our great camp staff!
